NHTSA and Law Enforcement Remind Drivers: Put the Phone Away or Pay

The U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) is launching a national highvisibility enforcement effort, during April 2024, to deter distracted driving. Law enforcement officers with the Emmetsburg Police Department, Palo Alto County Sheriff's Office and nationwide will work together to enforce texting and distracted-driving laws and remind drivers: Put the Phone Away or Pay. This effort comes during April, which is National Distracted Driving Awareness Month

According to NHTSA, in 2022 there were 3,308 people killed and an estimated additional 289,310 people injured in traffic crashes involving distracted drivers.

Distracted driving is a leading cause of vehicle crashes on our nation's roads, and most of this distraction can be attributed to cell phone use. People know using their phone while driving is dangerous and often illegal, but they do it anyway, and put themselves and others at risk. Drivers will see increased law enforcement efforts, as officers will be stopping and ticketing anyone who is caught texting and driving. If you text and drive, you will pay.

Drive Safe Every Trip

NHTSA urges drivers to put their phones away when behind the wheel. If you are the driver, follow these steps for a safe drive:

• If you are expecting a text message or need to send one, pull over and park your car in a safe location.

• Ask your passenger to be your "designated texter." Allow them access to your phone to respond to calls or messages.

 Do not engage in social media scrolling or messaging while driving

· Cell phone use is habit-forming. Struggling to not text and drive? Activate your phone's "Do Not Disturb" feature, silence notifications, or put your phone in the trunk, glove box, or back seat of your vehicle until you arrive at your destination.

At 2:06 pm, the Palo Alto County Sheriff's Office investigated a semi rollover at 5432 300th Street. Following an investigation, the Palo Alto County Sheriff's Office determined that David Lynch (74) of Lone Rock was driving a 2013 Volvo semi truck north on the private drive to 5432 300th Street. Lynch drove the semi truck on the east shoulder of the drive and due to the soft shoulder as well as being loaded with grain, Lynch's semi was pulled into the ditch. Once entering the ditch, Lynch's semi rolled once and came to rest on it's passenger side. Lynch sustained minor injuries. The Palo Alto County Sheriff's Office was assisted on scene by the Fenton Ambulance Service and the Fenton Fire Department.

A criminal charge is merely an accusation and the defendant is presumed innocent unless and until proven guilty in a court of law.
